

About Mrs. Craig

Hello, I am Priscilla Craig. For those of you who do not know me, I am married to Carroll Craig Jr., and we live on a farm in Cassville. I grew up in Mt. Vernon. I am a Missouri native. We have four children. DJ, is a Cassville junior. Micah is in the 6th grade. Tori, is 10, and in 5th grade class. We also have our little blessing Dennis, who is 19 months old, and goes to Little Bits Daycare.

I graduated from College of the Ozarks in 1996 with a Bachelor's of Science degree in education. I then earned my Master's in Education from Southwest Baptist University in 2003. This is my 14th year of teaching, 13 of which have been at Cassville. When I am not in my classroom, I enjoy spending time with my family and friends, watching movies, and going to sporting events. I love to take pictures every place I go.

I love what I do and feel blessed to have this as my profession. My parents taught me that I should love my job so much, that I should feel guilty for taking my paycheck. I look forward to having your child and helping them succeed in school. We will make every moment in everyday count. My goal every year is to make the children in my classroom have a fun filled learning experience. Please, feel free to visit our classroom website as often as you like to see what is happening in our class.
